SEPTIC PERMIT APPLICATION

Application for approval of sanitary facilities for a single lot in an Unimproved Realty Subdivision pursuant to Public Health Law, Section 1115-a. A sketch of the property must accompany this application showing the locations of perc tests, buildings, septic tanks, tile fields, seepage pits, wells, water and sewer lines, and any other pertinent information. This is needed, sketched to scale noting separation and distances, to aid in the evaluation of this application.
